

The Isolation Quiz

This replaces the planned Quiz & Chips in St Margaret's Swannington which has had to be cancelled. You will have to imagine the 'virtual chips' which will be a lot less fattening than the real ones. There are no prizes. Answers will be published in the Autumn.

Please don't complain if you find this difficult to start with. It's designed to keep you occupied for what might be quite a long time while you carry annoying questions about in your head. There is no charge, but if you enjoy please make a donation to St Margaret's when we are all back in circulation.

Small words are shown small. As an example LMD/tB would be **Love Me Do** by **the Beatles**.
